

## New Uniform Details for Clinton Board of Education

Beliefs as band director...

- **I believe it is our job as a band to promote school spirit.** We cannot accomplish this while wearing red uniforms.
- **I believe concerts should be formal.** Our new uniforms will have a marching coat and concert suit coat. The same pants would be worn for both.
- **I believe that there is a need for updating our performance apparel.** Uniforms are old, beat up, and need substantial repairs.
- **I believe "CLINTON" should be a prominent feature on every uniform to properly show our pride for school and community.** Our current uniforms do not say Clinton at all.

Benefits of new uniforms...
